Dear Mr. Bell,

I would like to inform you about the letter mailed on 15 August 2000 from your office to me, still I did not receive that letter until now up to this date.

In fact I have received your signed letter dated on 21 August 2000 with the documents enclosed, only.

Could you please send me a copy of that letter (Dated on 15 August 2000) by Fax. Do I need to wait for that letter and the form PCT/DO/EO/905 which I did not receive yet, according to the applicable time dead line.

Would you please inform me about the reliable way of paying the due fees e.g. by any bank account or other recommended way or it is possible by cash in the letter. The documents you sent in three copies do your office need to fill 3 copies for each? I will try to call you today or tomorrow at your morning working time.

Thanking you with best regards and... Much Obligated.

Sir.

Faithfully yours

Shirwan Al Pasha AL BAHDAINI

NB/ A previous Fax have been sent to you a week ago questioning about that letter.

**Sub. / Submitting actual documents for entering US Patent Phase
(USPTO Ref. 09/ 582634 concerning PCT/IB99/00178)**

Gentlemen ,

In respect to your Patent Office and your above Reference, I would like to submit the signed documents concerning „ SHIRWO S. „, App. No, PCT/ IB99/ 00178 , -up to date- actual amended documents of this invention to enter USPTO legally.

(Attached a total of 70 pages of documents, consisting 45 pages for a text matter of description, abstract and 30 claims with the drawings set of 1/25 -25/25 pages) .

Please accept these documents as the reliable for the processing due of your office.

Since the primer edition with the drawings of this application had been published under the number WO 99/39090 on 05- 08-1999, valid in all designated states of PCT .

A revision of amendments was documented in IPEA- EPO as the preliminary exam. had been done, this mission was helpful to re-concentrate on the inventive steps.

This Application was amended under PCT rules before entering the national phases.

The latest reliable claims are consisting now the actual inventive technical features of this invention precisely in regard to the comparisons with the relevant prior cited documents of the published International Searching Report .

As for these facts which could be shown in PCT information, the following concerned procedures in each national phase under PCT rules could be integrated .

Under these circumstances of the previous PCT procedures, would you please provide me, with any more required Form (the exact squares to be marked by a help of PAC), in order to be filled and signed by me, then to return to you to accomplish the legal procedure to request for grant a patent from USPTO, and the actual required fees depending on your way of calculating and analysing the invention documents -claims- which are under your hands now.

I need to know the next remaining steps , next fees due, the next valid time for paying these fees , the kinds of additional documents needed and your International bank account for paying extra fees directly if required .

A waiting for your confirmation of receiving this invention's documents and for the assurance to start processing of your office on this application and/or a reply to declare the remaining steps, as soon as possible with my appreciation , I remain .
Thank you with best regards ..

Yours Truly

Mr. AL PASHA AL BAHDAINI Shirwan
